

Clean Up Days

On May 11th, dumpsters will be placed around the community to assist with clean up around town. If you have items you would like to dispose of, these dumpsters will be available through May 28th.

Please feel free to utilize any of the dumpsters listed below. We do ask you do not put the following items into the dumpsters: Hazardous Waste, Liquids, Universal Waste, Tires, Chemicals, Soil, Oil/Fuel Filters, Welding Rods or Aerosol Cans.

Do not overfill dumpsters or place items on the ground as this causes safety issues.

If a dumpster is full, please contact the Townsite office at (928) 633-6001.
