ABOUT THE YAVAPAI LIBRARY NETWORK

The Yavapai Library Network was first established in 1985 as a partnership between the Yavapai College Library and the Prescott Public Library. Since then, the Yavapai Library Network has expanded to over 50 multitype libraries, including K-12, academic, public, private, and special libraries. The YLN is also home to eight special collections.

The Yavapai Library Network leverages the power of interlibrary relationships and cooperation to provide unprecedented service and savings to the library patrons and taxpayers of Yavapai County.
