A MESSAGE FROM COMMUNITY SERVICES:

“WE ARE BAGDAD” COMMUNITY SERVICES

On behalf of the Bagdad Community Services Department Team, we are proud to lead an organization that is rich in tradition with a reputation for providing high-quality services and events to our community that provide opportunity, encourage healthy living and promote the well-being of our people.

Message from Kami Ellsworth, Community Services Director

Your Community Services Team offers Bagdad residents the unique opportunity to help achieve a sense of purpose, identity and self-worth as we improve upon the existing foundation of community and family, within the specialized areas of Recreation Programs, Parks, Golf, Fitness and Community Events. We look forward to offering new recreation activities and programming to meet the ever-growing needs of our community.

Each member of our dedicated team strives daily to deliver services to our community with integrity, honesty and respect for all participants. We are committed to increasing the quality of life and the opportunities for growth and success for our community members and those who visit our Town. Come join us at the Community Campus.

MEET YOUR COMMUNITY SERVICES TEAM

Kami Ellsworth

COMMUNITY SERVICES DIRECTOR

Kami was raised in Southern California. This is where she learned, at a young age, to love the outdoors and being active. She grew up dancing and playing sports both on land and in the water. She spent most days and nights on the beach and loves bonfires and cooking s'mores by the ocean. She loves running (most days), kickboxing and fitness opportunities of all kinds. She is a huge fan of all sports but her real love is baseball with Cleveland being her number 1. Go Tribe!

Kami served as Deputy Director of the Leisure Services Administration for The City of St. George, Utah since 2007 and has worked in the Parks and Recreation field for over 16 years. She earned a Bachelor's Degree in Recreation Management with a focus on community events and programs from Brigham Young University in 1998. She also has led teams in park planning, youth and adult sports, in both performing and visual arts. Kami has a passion for public speaking and has toured the U.S. promoting healthy lifestyle choices, addiction prevention and offering leadership training. In 2019, she was hired by Risher Companies as the Community Services Director in Bagdad. Kami is certified in Group Fitness and teaches both Indoor Cycling and Cardio Kickboxing classes on the Community Campus.

She looks forward to better serving our community and "Investing in our People for a Better Tomorrow."

Ceci Maloy

RECREATION CENTER COORDINATOR

Nothing screams love of fitness more than a 4a.m. CrossFit class, and that is Ceci. Her passion and dedication for everything fitness can be seen as she runs the Bridle Creek Trail, takes her family kayaking in Prescott, backpacks the Grand Canyon and shows you how to use the fitness center rower correctly. Her biggest goal is to continually grow her knowledge of fitness and nutrition through educational opportunities. Ceci has been a member of the FMI team since 2017 and is extremely stoked to take on the adventurous role of the Recreation Center Coordinator.

Her favorite quote is from Jocko Willink: "GET UP AND GO. Take the risk, take the gamble, take the first step. Take action. And don't let another day slip by."

Julie Roberts

COMMUNITY SERVICES RECREATION SPECIALIST

Julie was born and raised in Bagdad and became a fifth generation miner in 2007. After graduating high school, she moved to Phoenix to attend Glendale Community College. After college, she returned to Bagdad and started her career with Freeport-McMoRan as the Recreation Coordinator at the community center. She has coordinated various activities for the community center for both youth and adults. In 2020, she accepted the job as Community Services Recreation Specialist. She is a certified CPO, Lifeguard Instructor and Nutritionist. Julie also serves the community as a reserve firefighter / EMT.

She and her husband Ronnie enjoy outdoor activities, hiking, traveling the world, anything sport related and spending time with family and friends.

Brent Langston

AQUATIC CENTER COORDINATOR

Brent was born and raised in Bagdad. His first job was serving the community as a lifeguard at the old Bagdad pool. He attended college at The Bryman School in Phoenix where he received his associate's degree in 2004. After college, he worked with the special needs community in and around Phoenix until 2008. He returned to Bagdad and began working for the Bagdad School District as a one-on-one aid; during this time, he also worked on the Community Campus at the Aquatic Center as a lifeguard. In 2012, he moved to Missouri and continued his career working with the special needs community. In 2016, he returned home to Bagdad where he was hired back on as the lead lifeguard at the Aquatic Center. In his role as the lead lifeguard, he received certifications in aquatic fit classes and swim lessons. In 2020, he was hired by Freeport-McMoRan as the Aquatic Center Coordinator. He currently programs and teaches all aquatic fit classes plus swim lessons and assists in lifeguard training.

LOCAL TRAILS AND HIKES

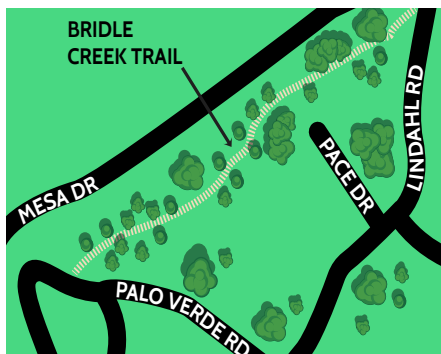

BRIDLE CREEK

This area offers a short easy hike.

BRIDLE CREEK RIPARIAN HABITAT

Bridle Creek is a 31-acre fenced riparian habitat located behind the Community Campus at the base of Sanders Mesa. The area primarily is composed of cottonwood and willow trees surrounding desert landscaping. There is a collection of birds and other wildlife in the vicinity. There are two different parking lots and three different entrances into the creek. For more information, go to:

bagdadaztown.com/residents/hiking or contact Hugh Jackson at (928) 633-6034 or cjackson@fmi.com

SANTA MARIA POOLS

During the dry season, this portion of the Santa Maria River is left with water pools great for splashing around to cool off or lounging by the sandy shore.

Use:

Hike, Bike, Horse and ATV (4x4 within ¼ mile to pools)

Distance: 2.2 Miles

Type: Out and back

Trailhead:

lat/lng (34.48208, -113.06033)

The trailhead is accessed from State Route 96 just northwest of the Santa Maria River Bridge at approximately milepost 11. Park road vehicles just north of the bridge on the east side in the dirt lot.

Route:

The two-track recreation road leading to the pools runs on the north side of the Santa Maria River. Travel to the right when you encounter the two "Y" style intersections along the way. At three points you will be required to navigate usually dry, yet steep, washes. The last is unpassable by 4x4 passenger vehicle, but only about a quarter mile from the pools.

Total Elevation Gain: 128 feet

WILD HORSE TRAIL

"B" MOUNTAIN

This is a short, steep and rocky trail that rewards with fantastic views of Bagdad, the mine and the surrounding mountains. The trail is accessed at the corner of Mesa Drive and Randall in Bagdad. As you enter Bagdad on Main Street, turn right on Fletcher, then left on Randall. At the corner of Randall and Mesa is a dirt road to the left that travels 150 yards to a locked gate. Cars may park on the side of the dirt road before the gate.

Use: Hiking only

Distance: 1.2 Miles

Type: Out and back

Trailhead: lat/lng (34.57868, -113.18383)

Route: The two-track road begins at a locked gate. The gate must be scaled to access the trail. The trail climbs gently for 200 yards and then makes a hard right where it begins to climb steeply for 0.4 miles where it levels off, offering views of Bagdad. The trail ends at an opening in the fence that continues toward the airport which is not open to the public.

Total Elevation Gain: 279 feet

TWO WHEEL TUESDAY

Bagdad's Mountain Biking Club. For information, follow them on Facebook or go to: strava.com/clubs/681123

BRUCE MINE ROAD

This road turns into a dirt road that goes past the Kellis' Ranch and is a local favorite for walking, jogging and driving off-road vehicles.

OUTDOOR RECREATION SPOTS

There are a number of outdoor recreation opportunities in the area, including the Santa Maria River, Lions Campground, Wild Horse Ranch and Black Pearl. Four-wheel drive may be required on some of these roads. Please contact Community Services for maps and / or information on how to get there.

MESA VIEW GOLF COURSE

Located in the heart of Bagdad, the beautifully landscaped layout offers a nine-hole golf course that plays as 18.

Club House open daily at 8 a.m.

COMMUNITY DEVELOPMENT

The company's guiding philosophy for its Community Development activities is Transforming Tomorrow Together – a commitment to implementing a Social Impact Framework that includes priorities, strategies and goals that drive us to work collaboratively with communities to make transformative change that better enables them to increase overall individual and community opportunity, well-being and capacity. Our framework or approach for delivering on our guiding philosophy of Transforming Tomorrow Together is based on three main priority areas that we believe help deliver on our commitment:

- **Education and Workforce Development**
- **Economic Opportunity**
- **Resilience, Capacity-building and Leadership**

This philosophy includes securing and maintaining our social license to operate and delivering transformation through robust stakeholder engagement and consultation, social investment, and impact evaluation.

The Grand Canyon Section of the Society for Mining, Metallurgy and Exploration (SME) is a professional, non-profit, mining advocacy organization that exists to serve the mining community and its supporters through networking opportunities, scholarship programs and public educational outreach.

Networking

We strive to provide our community with several opportunities to network and build relationships with other industry professionals and mining enthusiasts through our monthly and quarterly dinner meetings. Complete with a networking hour, a presentation on a mining-related topic and dinner, these meetings held in Bagdad and in Prescott are the highlight of any week.

Scholarships

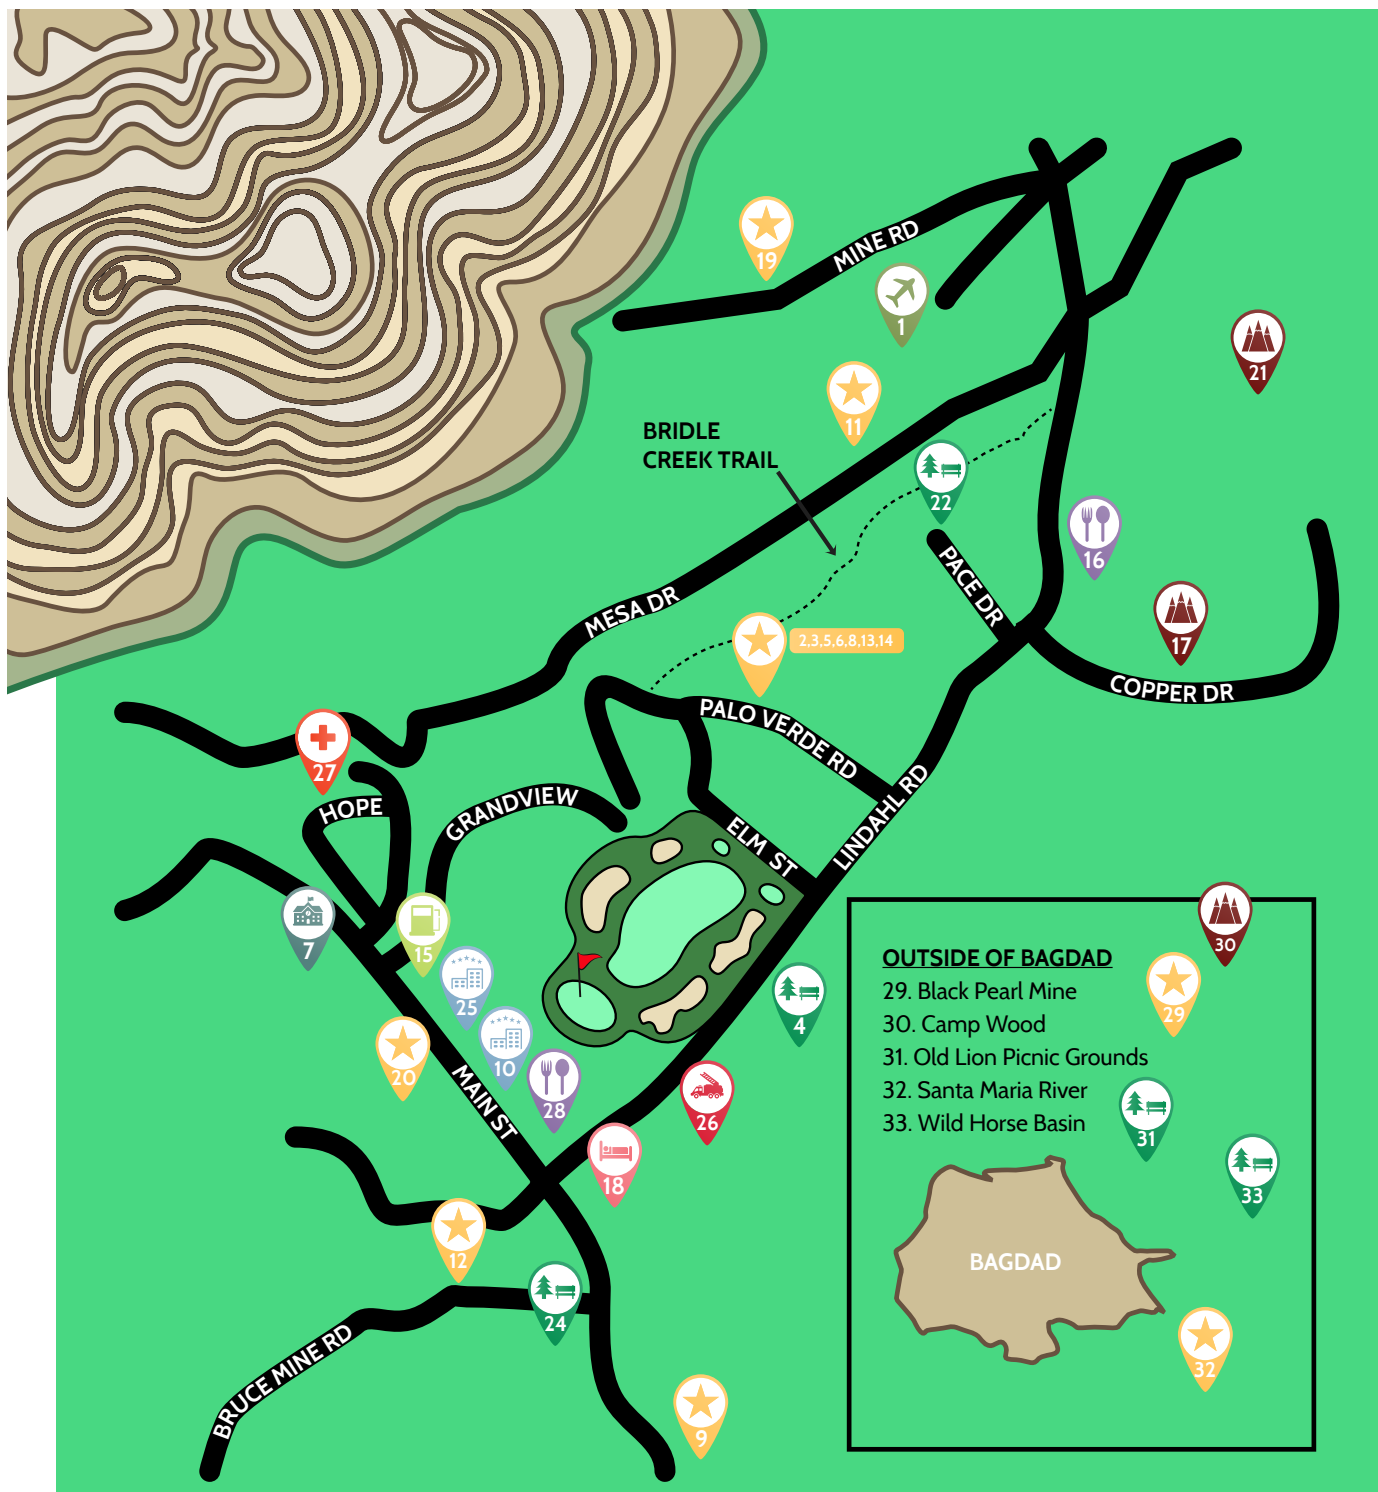

We strongly believe in providing a helping hand to students and paying it forward. The flagship of our fundraising efforts is our Annual Scholarship Golf Tournament and Auction. This highly anticipated event brings in tens of thousands of dollars to be disbursed to students from Bagdad and across the country. Thanks to the generous support of our mine's contractors, service providers and suppliers, we are able to provide several scholarships to hard working students year after year.

Outreach

We take pride in engaging with the public through educational outreach and volunteerism. Whether it's through a local science fair, a citywide science and technology festival, or a highway cleanup, our section members are always happy to participate and serve the public as representatives and advocates of the mining industry.

Gives students the nurturing, structure and guidance they need, while also preparing them for the transition to high school. Our Middle School provides a strong academic program for students transitioning from childhood to adolescence. In addition to traditional core classes, Middle School students are provided instruction in Music, Art, P.E., Computers, Business and Welding Career Prep, Family and Consumer Science, and Industrial Technology.

Bagdad High School

Offers solid core academics: American Government, Biology, Anatomy & Physiology, Chemistry, Physics, Choir, Art / Graphic Design, Drama, Economics, Algebra I / II, Geometry, College Algebra, Pre-Calculus, Health, History (U.S. / World), Advanced Journalism, Language Arts, Music, Physical Fitness, Physics, Engineering, Technology and more.

High School Elective Classes

Bagdad has initiated elective classes that support math education under the headings of Engineering, Career and Technical, and Aviation. The Aviation class culminating activity is an actual flight from the Bagdad Airport. Career and Technical Education classes are varied with the additional resources available from the Mountain Institute JTED in conjunction with other Yavapai County Districts. Currently, Bagdad High School offers approved programs in Auto, Business, Culinary, Building Trades and Welding.
